

Product data sheet

HDGLZ1004J100

Characteristics

Overlap type changeover switch, HDGLZ, 100AF, 4P, 100 A, with external operation handle

Main

Range of product	HDGL
Product or component type	Isolating switch
Frame size	100AF
[In] rated current	100 A

Complementary

Maximum rated voltage	690 V
Network type	AC
Network frequency	50/60 Hz
Operating mode	Manual
Control type	Operating handle
Shaft length	300 mm

Environment

Standards	IEC 60947-3
Operating altitude	2000 m
Ambient air temperature for operation	-5...45 °C

Packing Units

Unit Type of Package 1	PCE
Number of Units in Package 1	1
